For W2-related changes, please continue to contact your W2 worker.

If you are newly eligible for Medicaid, BadgerCare or Family Planning Waiver, you will get an identification card, called a Forward card. Read your Eligibility and Benefits booklet to find information on how to use it. If you already have a Forward card, you should keep using that card. The card must be shown to your health care provider each time that you get health care. If you have gotten services since 10/01/2003, tell your provider that you are now eligible for Medicaid, BadgerCare or Family Planning Waiver. If you have paid bills for the services, the provider may pay you back if the services are covered under the benefit program. If you have questions about your identification card, or need a new one, call 1-800-362-3002, toll-free. TTY and translation services are available.
